

# SRC500

## System Remote Control

Housed in a solid aluminium casing, giving full access to the Opus 500 Series Multi-Room Entertainment System, the SRC500 is a statement in design and functionality. The SRC500 allows you to adjust all the functions of the WCU500 and WCU300 from a distance via the infra-red link, from adjusting the volume or bass settings to setting the clock alarm function.

### Features and Benefits

- Stylish and resilient aluminium casing
- Intuitive, ergonomic silicon rubber key layout
- Full access to virtually all system functions
- Source control and timer functions can be set from a distance
- High-power, dual LED wide angle output for maximum reliability
- Construction tough enough for even the most demanding users.

## SYSTEM DIAGRAM

### A single Master Control Unit will serve up to 8 rooms.

This diagram shows one Main zone and one Sub Zone.

Hi-fi or video equipment from virtually any brand can be connected to Opus.

This is a typical 2 zone configuration using AVI and AV2 as inputs for the Music Server. These inputs can be labelled 'H-Disk'.

## SPECIFICATIONS SRC500

**Battery** 3 AAA/LR03/sum – alkaline batteries

**Dimensions (WxHxD)** 47 x 232 x 14mm (approx.)

**Weight** 252g (inc. batteries)

**CE marked to regulations** EN 55 013 (1990) inc amendments A12 (1994) and A14 (1999); EN 61 000-3-2 (1995) inc. amendments A1 (1998), A2 (1998) and A14 (2000); EN 61 000-3-3 (1995); EN 55 020 (1994)

FCC Part 15 (2001-05)
